

# Genesis Preparatory Academy

## Creditable Service Team Hours

NOTE: The activities listed below are approved areas of GPA team service. Hours spent serving the GPA school community through these activities can earn each family \$10 per hour tuition credit up to, but not to exceed, \$500.

Please indicate your interest in specific areas. If your interest is qualified by having to serve evenings, weekends, work done at home or another restriction; please make that note under comments. Hours worked are recorded as they are performed in the office followed by credit being given on your tuition account.
